

A word cloud visualization centered around the theme of prostate cancer and PSA testing. The words are arranged in a circular pattern, with their size indicating their frequency or importance. The word "cancer" is the largest and is colored blue, while "prostate" and "psa" are also large but in dark blue. Other words like "test", "levels", "negative", "rise", "rising", and "common" are smaller and in dark blue. The background is white with faint, light blue concentric circles.

test
level levels
cancer
prostate negative
rise rising
